Hello dear Rangarayans,  
Greetings of the season.

Yes, it is Springtime here. There is greenery all around in our college campus, flowers are popping up, and the cuckoo is calling you all to the coming Reunion.

Blooming too is the spirit of friendship in our hearts, which are longing to relive those happy moments of our college days on the lap of our Alma mater.

It is only eight months till we meet again to celebrate the Diamond Jubilee of our college and Golden jubilee of Ramcosa.

We are gearing up our efforts to make it a landmark event - truly enjoyable and unforgettably memorable.

The response so far is enthusiastic - a record number of batches are organizing their batch meets and philanthropists are coming forward to aid projects.

But first, spread the word, Block the dates, Register with family, and plan for our triennial migration to our place of birth as a medical professional - to be blessed by our Alma mater - our dear Rangaraya Medical College.

- The Organizing Team
